DE-DOLLARIZATION AND TRADE: BE CAREFUL WHAT YOU WISH FOR

Fri, 14 Apr 2023 00:00:00 -0400

Be careful what you wish for, because currencies are not abstractions we ponder, they are commodities that serve real-world functions that place demands on the currency as a mechanism of trade, trust, value and risk.

WHOLE FOODS CLOSES ITS "FLAGSHIP" SAN FRAN STORE AFTER JUST A YEAR DUE TO CRIME

Fri, 14 Apr 2023 00:00:00 -0400

It's yet another story of a major company leaving a U.S. city: this time, it's a Whole Foods in San Francisco that is closing after barely being open for a year. The location in question is a 64,000 "flagship" Whole Foods store that you just know the company wouldn't be closing down unless things truly had run amok.

MORE DOUBTS ABOUT THE 'LEAKED' BRIEFING SLIDES

Fri, 14 Apr 2023 00:00:00 -0400

When media reported on the first batch of 'leaked' Pentagon briefing slides they also published pictures of the originals. Then came a second round which conveniently was more about bashing Russia than on the releases itself. Those leaks were labeled as new or from a previously unknown source

WATCH: BEYOND THE RESET

Fri, 14 Apr 2023 00:00:00 -0400

This excellent short film is a darkly humorous journey into one possible near-future. We all hope it never happens this way, but of course the best way to guard against it is to be aware of the danger.

ONLY A HANDFUL OF COMPANIES CONTROL THE GLOBAL PROPAGANDA

Fri, 14 Apr 2023 00:00:00 -0400

In her book "One Idea to Rule Them All, Reverse Engineering American Propaganda," Michelle Stiles reveals how the American public (and indeed the global population at large) have been indoctrinated and conned by public relations (PR) companies that run the globalist cabal's propaganda campaigns. I will be interviewing Michele shortly for this book.

THE IMF HAS JUST UNVEILED A NEW GLOBAL CURRENCY KNOWN AS THE "UNIVERSAL MONETARY UNIT" THAT IS SUPPOSED TO REVOLUTIONIZE THE WORLD ECONOMY

Thu, 13 Apr 2023 00:00:00 -0400

A new global currency just launched, but 99 percent of the global population has no idea what just happened. The "Universal Monetary Unit", also known as "Unicooin", is an "international central bank digital currency" that has been designed to work in conjunction with all existing national currencies. This should set off alarm bells for all of us, because the widespread adoption of a new "global currency" would be a giant step forward for the globalist agenda. The IMF did not create this new currency, but it was unveiled at a major IMF gathering earlier this week...

18,000 COWS KILLED IN EXPLOSION, FIRE AT TEXAS DAIRY FARM

Thu, 13 Apr 2023 00:00:00 -0400

A dairy farm worker rescued from inside the structure was taken to a hospital and was in critical but stable condition as of Tuesday. There were no other human casualties.

ADL LASHES OUT AT SUBSTACK

Thu, 13 Apr 2023 00:00:00 -0400

On April 3 the Anti-Defamation League's Center on Extremism published an attack on the popular email newsletter platform Substack. Headlined "Antisemitism, False Information and Hate Speech Find a Home on Substack," the article charged that "extremists and conspiracy theorists...routinely use the site to profit from spreading antisemitism, misinformation, disinformation and hate speech."

CDC PARTNERS WITH 'SOCIAL AND BEHAVIOR CHANGE' INITIATIVE TO SILENCE VACCINE HESITANCY

Thu, 13 Apr 2023 00:00:00 -0400

Dr. Danielle Jones, an OBGYN who posts under the handle @MamaDoctorJones on YouTube, TikTok, and Twitter—and has millions of followers—put out a video accusing Bowden of "grifting," rejecting science, and profiting from those who questioned the vaccine. The video received thousands of comments, including from Team Halo members, Dr. Zachary Rubin, a pediatrician, and Christina Kim, an oncology nurse practitioner. Team Halo is a social media influencer campaign formed as part of the United Nations Verified initiative and the Vaccine Confidence Project to increase vaccine uptake.

FISCAL INSANITY: THE GOVERNMENT BORROWS \$6 BILLION A DAY, AND WE'RE STUCK WITH THE BILL

Thu, 13 Apr 2023 00:00:00 -0400

We're not living the American dream. We're living a financial nightmare. The U.S. government is funding its existence with a credit card. The government—and that includes the current administration—is spending money it doesn't have on programs it can't afford, and "we the taxpayers" are the ones being forced to foot the bill for the government's fiscal insanity.

ZELENSKY AND ENTOURAGE EMBEZZLED 'AT LEAST' \$400M FROM U.S. AID SENT TO UKRAINE, SEYMOUR HERSH REPORTS

Thu, 13 Apr 2023 00:00:00 -0400

Ukrainian president Volodymyr Zelensky together with senior government officials and thirty-five generals embezzled what the CIA estimates is "at least" \$400 million in US aid funds meant to buy diesel fuel for the Ukrainian army, famed investigative journalist Seymour Hersh reports.

THAILAND PRIMED: CBDC, [DIGITAL ID](#), PROBLEM-REACTION-SOLUTION

Thu, 13 Apr 2023 00:00:00 -0400

The lady in my local minimart was wearing a red t-shirt with a giant QR code recently. I jokingly asked her if that was the QR code to scan, in order to pay for goods. She giggled and said "no, it's fashion!" Right...ok then.

ARE YOU EATING PORK INJECTED WITH MERCK'S mRNA LIVESTOCK VACCINE?

Wed, 12 Apr 2023 00:00:00 -0400

Since 2018, industrial pork producers have been using customizable mRNA-based "vaccines" on their herds. According to drugmaker Merck, the vaccines target "existing and evolving swine pathogens, including diseases not covered by conventional swine vaccines."

MAYOR ADAMS AND NYPD ROLL OUT HIGH-TECH CRIMEFIGHTING TOOLS IN TIMES SQUARE

Wed, 12 Apr 2023 00:00:00 -0400

The NYPD is welcoming a new member to its ranks: a robot dog. The robotic mobile K-9 device is part of a number of technological rollouts the city said is "crucial" in keeping the city safe.

HOW A FORMER CIA FELLOW CAME TO LEAD US GOVERNMENT EFFORTS TO STAMP OUT DISEFAVED SPEECH ON THE INTERNET

Wed, 12 Apr 2023 00:00:00 -0400

Since the 2016 elections, politicians, journalists, and many others have raised the alarm about "foreign election influence" and "disinformation," demanding greater "content moderation" by social media platforms. It is too easy, they argued, for foreign and malign actors to quickly "go viral" at low cost, leaving the good guys unable to correct bad information. We must become more "resilient" to disinformation.
